from yesterday.

Neither Samuel Parker nor Prince

David Kawanakoa arrived from San

Francisco in the Doric last night.

Waikiki Inn took a sulphur bath this

week and every nook and corner clean-

ed out. One room to rent, \$12 per

week.

Mr. and Mrs. C. C. Conradt, J. H.

Porteous and Carl Lindermann were

the only passengers for Honolulu in

the Doric last night.

The Filipino pony ridden by the late

General Lawton while in the Philip-

pines has arrived in San Francisco

and been shipped East.

The Doric from San Francisco ar-

rived off port shortly after 10 o'clock

last night and continued on her voy-

age to the Orient this morning.

The Zealandia will probably take the

Australia's place for next round voy-

age in case the latter steamer be

detained in quarantine at San Francisco.

The Nippon Maru that arrived in San

Francisco February 1, made the run

from Yokohama in seventeen days and

from Honolulu in five days, two hours.

The funeral of the late Mrs. Herman

A. Widemann takes place from the

family residence at 3 o'clock. The

body was brought from San Francisco

in the Doric.

The submerged barkentine William

Carson rose ten feet on Tuesday from

the action of the air escaping from the

diver's helmet. Coal is being taken out

of the vessel at the rate of 12 or 15 tons

a day.

An accident to No. 2 engine at about

noon yesterday prevented further

service from that source. However, the

fire was about over and there was no

very great need for it. The engine was

removed to the Iron Works for repair.

cess of these ideal sewing machines.

It is convincing proof that the Singer

excels in all kinds of family sewing

and art needle work. All our sewing

machines are of the best construction,

beautifully decorated, and are mounted

on selected woods in finely finished

cabinets of artistic designs. B. Ber-
